

I oppose the weakening of Indiana's No Call list being challenged by the Consumer Bankers Association. If I want to do additional business with it's members, I'll call them myself. I don't need to be hounded by these businesses while trying to enjoy family time.

Please keep in mind that it was MY CHOICE to sign up for the No Call List. I hate to see a group (CBA) trying to get around my choice. Please support the consumer and don't let the Indiana No Call List be weakened.

Thanks for you time.
